

Welcome to
Club Raro Resort.
 We offer something for everyone: happy hours by the pool; games of tennis, or table tennis; and the opportunity to just relax on one of our three sun/sand decks or around the swimming pool.

ABOUT US

Club Raro offers value for money accommodation, located on the northern side of the island. The resort sits on the edge of a coral beach with a great sand and sun deck, that extends the entire length of the coral beachfront, a great lookout to the lagoon and Pacific Ocean with steps leading down to the waters edge to ensure you can enjoy this beach location. A swim-up pool bar means you can relax and unwind whilst lazing in the pool or on the sun loungers. Arrive as a guest and leave as a friend.

KEY SELLING POINTS
